From here you can take ferries and boat trips for fishing, canoeing, scuba diving and snorkelling at nearby island destinations with beautiful beaches such as the Racha Island, Phi Phi Island and the famous Maya Bay.

Promthep Cape

Diverse Dining

Dining out is easy in Rawai, where you can always enjoy a diverse variety of restaurants along the beachfront from local street vendors to fine dining on cuisine from around the world at the many international restaurants and resorts.

Make Every Day an Adventure

The long stretch of the white, sand and crystal-clear water of Nai Harn Bay and Yanui Beach is a favourite spot for super yachts and ideal for family outings, where kids can swim safely in the shallows.
